

1. K-LOVE serves me as a resident of a community near Cincinnati, OH by providing me with positive, commercial free music that helps me to be emotionally and spiritually balanced. Often times a bad day seems much better thanks to the music on K-Love.
2. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be that I, as well as numerous others, would be deprived of positive, life-changing and saving music on the radio.
3. I believe that the service provided by K-LOVE is in the public interest because the station comforts people in their daily struggles, and K-LOVE provides hopeful and optimistic music .
